Bike Fest

updated: Dec 05, 2010, 10:42 AM

By Jon Shafer

Hundreds of community volunteers from all over Santa Barbara and Goleta came out in force today to assemble bicycles as part of "Bike Fest", the nonprofit "Kids and Bikes" annual event which delivers bicycles to underprivileged kids in our area. It was an amazing turnout this year as as many as 500 individuals worked together so that kids who could only dream of having their own bikes could get one for Christmas. "Who doesn't remember their first bike?" asks Lou Ventura, Founder of Kids and Bikes. In total close to 800 individual bicycles were assembled today, a task nothing short of amazing!!

For more information, please visit <http://www.kidsandbikes.org>.
